

MADD's Promposal

H2: Lorem ipsum dolor sit amet. Sed aspernatur pariatur

Will You Accept MADD's Promposal?

- Have a **substance-free** prom night!
- **Plan** a safe ride home.
- **Never** ride with an impaired driver.

-Prom is a cherished night, and nothing should tarnish that memory like underage substance use or impaired driving. MADD’s Promposal is a powerful, free 30- to 45-minute presentation for high school juniors and seniors, educating them on the dangers of substance abuse behavior and offering empowering alternatives to make prom unforgettable, in the right way.

MADD's Promposal Presentation Features:

- Real, impactful stories from victims and survivors of impaired driving crashes and underage substance consequences.

- Prom-themed presentation with lifesaving information about the dangers of alcohol, cannabis, and medications on the developing brain.

- The opportunity to accept MADD’s Promposal by signing a poster to display at your school. Reminding students of their commitment to having a safe and substance-free prom night!

PROM PROMISE

Nationwide

I, _____, want to have an amazing time on my prom night and I want to remember it forever. I agree that underage substance use is dangerous and illegal, and therefore will not risk my life by drinking alcohol or using drugs. I also understand how dangerous impaired driving is and will never ride with a driver who has used any substances.

I promise to have a safe and substance-free prom night. I understand that if I break my promise, there will be consequences, as agreed upon between me and my parent(s)/legal guardian(s).
